Modern complex in Gran Alacant, just 500 meters from the sea and a few minutes from the beaches of El Carabassí and Arenales del Sol. Gran Alacant is a popular residential area and offers a wide selection of services, with schools, shops, as well as a wide range of restaurants and nightlife. The towns of Santa Pola and Alicante, and the airport, are just a 15-minute drive away. Which is a nice bonus.

Modern apartments with 2 and 3 bedrooms in different models; ground floor apartments with a garden, mezzanine floor apartments with spacious terrace and penthouse apartments with a roof terrace and sea views. All apartments have an open layout and have fully installed air conditioning, storage room and parking space with pre-installation for a charging station for electric cars. The penthouse models have a pre-installation for a jacuzzi on the roof terrace. The complex consists of several apartment blocks over a few floors, arranged around a large communal area with three swimming pools, one for children, large gardens, a playground and 24-hour security with CCTV surveillance system.
