The entire resort features landscaped gardens with Mediterranean plants everywhere. The resort has more than 5 km of trails and routes for running and cycling. In addition, there is an independent shopping area close to the site with direct access from the road and from the complex itself.

In the center of the resort you will find "The Lake", which contains more than 16,000 m<sup>2</sup> of clear blue water and is the largest man-made lake in Europe. The lake is divided into areas, so that you can exercise or swim in peace without any worries. Relax on one of the 3 beaches that Santa Rosalia offers, with powdery white sand and the refreshing, cool waters of the lake you will feel like you are in paradise!

The Beach Club offers spectacular views over the lake and leads directly to the beach. With its chill-out terrace and play and relaxation areas for children and adults, it is the perfect place to have a snack or a drink with family and friends.
