There are only 6 modern new-build villas for sale, each property has 3 bedrooms and 2 bathrooms.

They are all close to the resort's lagoon, so in a nice central location. The villas have an open living room where a lot of natural light flows in through the large windows, followed by the kitchen. The solarium can be reached via an external staircase and something unique is created here. The surprising element is that a fully equipped outdoor kitchen has been created on the solarium and the private swimming pool can also be found.

The villa is also equipped with a private swimming pool, solarium and cellar. Pre-installation for air conditioning, fitted wardrobes, electric shutters, pre-installation charging point for car, fiber optic internet.
