Modern project located in Pilar de la Horadada, a Spanish town on the Costa Blanca South. The city center, with all its daily amenities, such as supermarkets, restaurants, sports centers, etc., is within walking distance. Walk to the cozy square in the middle of the city and enjoy the ultimate Spanish atmosphere. The fantastic white beaches of Torre de la Horadada are just 2 km away and can be easily reached on foot, by bike or by car. The city is close to two highways, which connect the city with the other major cities such as Alicante, Torrevieja, Orihuela Costa and Murcia.

The project has modern villas with two layout options: two-storey detached villas with 3 bedrooms and 2 or 3 bathrooms or single-storey semi-detached villas, with 2 or 3 bedrooms and 2 bathrooms. Each villa consists of an open and bright living room, dining area, modern kitchen and spacious outdoor areas. All villas have a parking space on the plot and an option to build a private pool.
