Luxury apartments in Benijófar, Costa Blanca South
In the heart of Benijófar, on the beautiful Costa Blanca South, lies a brand-new apartment complex that combines luxury, style, and comfort. This complex offers a perfect blend of modern design and practical layout, ideal for those seeking stylish and comfortable living.
The complex consists of apartments with a choice of 2 or 3 bedrooms, each equipped with 2 spacious bathrooms. This allows you to choose the space that best suits your lifestyle and needs. Each apartment has been designed with attention to detail and offers a modern, sleek finish. With multiple floors available, you can choose whether you prefer being closer to the ground or enjoying the views from higher floors. For the true connoisseur, there are the penthouses, which stand out with their spacious roof terraces. These terraces offer not only breathtaking views but also the luxury of a private swimming pool. The kitchen in each apartment is fully equipped with high-quality appliances. The open-plan layout from the kitchen to the living room creates a seamless transition between the cooking and living areas, ideal for both daily use and entertaining. The open and bright design creates a welcoming atmosphere and makes it easy to feel at home.
This complex in Benijófar offers a unique opportunity for anyone looking for a modern and comfortable apartment on the southern Costa Blanca. Whether you choose a ground-floor apartment or a luxury penthouse, you are guaranteed a high quality of life in beautiful surroundings.
Benijófar is a charming village located in the province of Alicante, within the Valencian Community. Although one of the smaller villages in the area, Benijófar has much to offer. It borders the larger town of Rojales and is easily accessible for holidaymakers. The nearby airports of Alicante and Murcia are both just a 30-minute drive away, making it easy to reach Benijófar quickly by plane.
One of the reasons Benijófar is so popular with holidaymakers is its strategic location between the Sierra Nevada and the coast. This creates a diverse landscape and numerous recreational opportunities. The proximity of beautiful beaches such as Guardamar del Segura and Torrevieja – just a 10- and 15-minute drive away respectively – offers the perfect blend of tranquility and entertainment.
