### New development in Bigastro - Costa Blanca

Droomhuisspanje presents a beautiful new development in the charming town of Bigastro, located on the sunny Costa Blanca. This exclusive project consists of modern ground-floor apartments and penthouses, each with 3 bedrooms and 2 bathrooms.

The ground-floor apartments have spacious terraces, ideal for enjoying the Mediterranean climate. The penthouses feature a private roof terrace with stunning views of the region.

At the heart of this small-scale development is a central Mediterranean garden with a lovely communal swimming pool.

Bigastro is a peaceful town in the province of Alicante, southern Spain. It is known for its authentic Spanish atmosphere, surrounded by citrus groves and the Sierra de Orihuela mountains. The location is perfect: just a 10-minute drive from Orihuela and less than 30 minutes from the beautiful beaches of Guardamar and Torreveja.

This development offers the perfect combination of comfort, quality of life, and an ideal location for those looking for a dream home in Spain.
