This is a project of new construction detached and semi-detached villas on one level in Turre. Each villa consists of a spacious living-dining room, an independent fitted kitchen with all white goods included, 2 bedrooms (two doubles with fitted wardrobes).

Just a few minutes walk there is a wide range of services, pharmacy, school, supermarkets, restaurants and a variety of typical Spanish bars. In the Urbanization Vista Cabrera you have sun, peace, quiet and privacy; all this located in a beautiful, quiet and exclusive area, at the foot of the Sierra Cabrera.

The properties are a few kilometers drive from the beaches of Garrucha and Mojacar, and there are several golf courses in the region.
