Seaside is a new development of just ten apartments, located less than 150 meters from Playa del Cura beach in Torrevieja. The property consists of three bedrooms (with fitted wardrobes), two bathrooms (en-suite to the master bedroom), integrated modern kitchen and a large open plan living/dining room, leading to a paved terrace. Penthouses have their own solarium from which you can enjoy the Mediterranean sun. This project has come up with a unique concept regarding the communal swimming pool and communal garden, which are located on the roof of the complex, giving you a beautiful view.

Due to increased tourism and urban development, Torrevieja has all the amenities you need and excellent transport links with Alicante, Murcia and Elche. Today it is one of the favorite destinations for national and international tourists who want to enjoy its sunny climate, beaches and gastronomy. It really is the perfect place to enjoy the beach and the sea both in summer and winter.
