New design project with 5 luxury villas located on the first line on the beach of Torre de la Horadada. In a quiet residential area located in a unique natural environment with one of the most beautiful beaches of the Costa Blanca South. At a distance of only 10 minutes drive are towns such as Torre Vieja and Orihuela Costa, the main airports are less than an hour away. The houses are built in an exceptional quality. The villas are available with 5 or 7 bedrooms, with private pool, garage for two cars, air conditioning using a fan-coil system, elevator and many extras. This is a villa to die for. Everything is right, the environment, the quality....
