Exclusive penthouse with private roof terrace with panoramic views over the region of El Raso, Guardamar in the Costa Blanca South.

New residential project in El Raso, a popular area of Guardamar, on the Costa Blanca South. With a great choice of daily services such as supermarkets, bars and restaurants within walking distance and just a short drive away there are many more services as well as sports facilities. The beautiful wide beaches of Guardamar are a 10-minute drive away and for nature, walking and cycling enthusiasts, the La Mata Natural Park is close enough for walks or bike rides. The project offers apartments with 2 bedrooms and 2 bathrooms, in three models: ground floor with garden, mezzanine with spacious terrace, and penthouse with private solarium.

All apartments have an open plan living area, which opens onto a terrace overlooking the pleasant communal garden. The communal area offers a swimming pool for adults and children, children's play areas and underground parking. Each apartment includes fitted wardrobes, shutters, pre-installation air conditioning and a space in the underground parking.
