Spectacular complex on the beach of Punta Prima in Torrevieja. A very exclusive location, with impressive views, and close to all the services offered by the municipalities of Torrevieja and Orihuela Costa.

The project offers spacious apartments with direct or side sea views, depending on the orientation. It is possible to choose between 2 and 3 bedroom apartments in different models: ground floor with private garden, mezzanine with terrace, or penthouse with terrace and impressive views. All apartments are open plan, with a combined kitchen, dining and living room, opening out onto a terrace. They have fully installed air conditioning (hot/cold), kitchen appliances package, a storage room and a parking space.

The complex has large communal areas with gardens, a playground, three swimming pools (infinity, partially heated, and for children), jacuzzi and underground parking.
