Spectacular detached villa with breathtaking sea views. This is a very unique place to own a newly built villa. The house has an open location with a very large maintenance-free garden with private pool. The villa is spread over two floors, on the top floor is the open living room with sea view, followed by the spacious kitchen and bedrooms. On the ground floor is the garage, extra storage space, bedrooms, bathrooms and extra kitchen. This is actually 2 homes in one. Waking up wonderfully with a beautiful view of the sea is a unique aspect of this house.
