All apartments come with 2 or 3 bedrooms and 2 bathrooms. There are different models available and all come with large spacious terraces, private gardens, roof terraces and a space in the underground parking garage with storage room.
The resort is surrounded by natural forests and conservation areas, with a variety of hiking and biking trails, not to mention the fantastic 18-hole golf course. A selection of services are available, such as a mini market, club house, health club, racquet club, cafes and restaurants. There is a wider selection of services available in the neighboring towns of Pilar de la Horadada and Orihuela Costa, as well as Zenia Boulevard, 10 minutes away by car. The fabulous Campoamor beach is just a 5 minute drive from the resort, where residents have exclusive access to the Beach Bar.
