Beautiful modern terraced house with private roof terrace top location in San Pedro del Pinatar, Murcia. This house is centrally located in the city of San Pedro del Pinatar. On the ground floor is an open living concept with kitchen, dining area and living room adjacent to each other. What makes this house special is that there are 2 bedrooms on the ground floor. The third bedroom with bathroom on the upper floor can be reached via the internal staircase. Through the bedroom or separate door you reach the spacious private roof terrace. Now with private pool included.

You get a lot of house for a good price.

Given the price and location of these homes, this is an ideal investment opportunity.
